OBJECTIVE

Motivated Information Science Engineering student with a strong foundation in programming, databases, and problem-solving. Passionate about building efficient software solutions and eager to contribute as a Software Engineer while continuously learning and growing in the field.

EDUCATION

Siddaganga Institute of Technology — Tumakuru, Karnataka
B.E in Information Science and Engineering — CGPA: 7.5

Varin Pre University College — Tumakuru, Karnataka
PUC (PCMB) — 2024 – **89.6%**

Bishop Sargant School — Tumakuru, Karnataka
Class X (ICSE) — 2022 – **72%**

PROJECTS

SkillSwap – Peer-to-Peer Skill Exchange Platform

- Developed a web-based platform that enables users to exchange skills, share knowledge, and learn from one another
- Designed an interactive user interface using HTML, CSS, and JavaScript for seamless user interaction
- Integrated WebRTC for real-time communication and APIs to support platform functionality
- Promoted collaborative learning by connecting users based on their skills and learning interests

Wardrobe AI – Smart Wardrobe Management System

- Developed a web-based application to help users organize clothing items and manage their digital wardrobe
- Designed a responsive and user-friendly interface using HTML, CSS, and JavaScript
- Integrated AI-powered features to provide outfit recommendations based on available clothing and user preferences
- Simplified outfit planning and encouraged better clothing organization and reuse
